Project Title: Wastewater Change Petition WW0107 for the San Jose Creek Wastewater Rec. Plant

Project Applicant: Los Angeles County Sanitation Districts (Sanitation Districts)

Project Location (include county): El Monte, Los Angeles County

Project Description:

Sanitation Districts filed a wastewater change petition to reduce flow to the San Gabriel River, and change the place of use and purpose of use of the treated wastewater. Sanitation Districts is the CEQA lead agency for the project and certified a Final EIR in November 2019 (State Clearinghouse No. 2018071021). Pursuant to California Code of Regulations, title 14, section 15096, subdivision (f), the State Water Board has considered the environmental effects of the wastewater change petition.

This is to advise that the State Water Board, Division of Water Rights has approved the above (Lead Agency or Responsible Agency)

described project on OCT 05 2020 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Sanitation Districts Joint Administration Office, 1955 Workman Mill Road, Whittier, California 90601
